Waists of Individuality

Everyhing about a woman's dreas bespeaks the discrimina-tion of her individuality. If abe knows and appreciates modish design and superior quality you will find her favoring Warren M. Crosby's when buying waists.

Because she knows that the waists at Warren M.'s reflect admirably the very latest style tendencies.

Because she knows that The Warren M. Crosby Co. stands back of them and guarantees them to be satisfactory.

We are showing the largest and most complete line of crepe-de-chine, crepe Georgette and taffeta waists in the city, in plain colors and the new stripes and plaids. We have also splendly assortments of lace, lace and chiffon, and lace and crepe Georgette waists at attractive prices. Come in and let us show you the new models. You will be charmed with their simple elegance and graceful outlines.

(The Modern Beauty.)
Here is how any woman can easily and quickly remove objectionable, hairy growths without possible injury to the skin. Make a paste with some powdered delatone and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and the hairs are gone. This is a painless, inexpensive method and, excepting where the crowth is unusually thick, a single aport of at their club home that they never rub off, wash the skin and the hairs are gone. This is a painless, inexpensive method and, excepting where the crowth is unusually thick, a single application is enough. You should, however, be careful to get genuine delations—Adv.
